

(b) the value of agricultural implements distributed from each depot during 1953-54 and 1954-55; and

(c) will the Government make necessary arrangements to have the distribution of agricultural implements in every panchayat area?

Minister for Health (SHRI A. A. RAHIM):

(a) A list† showing depots from where agricultural implements are distributed at concessional rates is placed on the table.

(b) The list mentioned above contains the information.

(c) The distribution of agricultural implements can be arranged in every panchayat area provided the panchayats undertake to effect sales on behalf of the Agriculture Department and credit the sale proceeds to Government.

Manure Supply.

* 832. [74] SHRI V. V. SEBASTIAN: Will the Minister for Health be pleased to state:

(a) how much manure has been distributed at concessional rates to the agriculturists in each District during 1954-55; and

(b) what was the stock of manures remaining with the Government at the close of the year?

Minister for Health (SHRI A. A. RAHIM):

(a) The following quantities of manures have been distributed at concessional rates in the districts noted below during 1954-55.

Trivandrum	672 tons
Quilon	2505 tons
Kottayam	1424 tons
Trichur	1130 tons
	5731 tons

(b) The stock of subsidised manures that remained with the Department at the close of 1954-55 was 5733 tons.
